11415 Bethesda Church Road Damascus MD 20872

Come join us for Just Jumping Jumpapalooza! You can jump the stadium course, the XC course, or both as the "Jumpapalooza" PRIZES FOR CLEAR ROUNDS!!! \$10/round

We will begin with Trot Poles and move up as the day goes on - the divisions may take longer than the time we have scheduled, but they will not start BEFORE the posted time. We will post on the Facebook GROUP page (Southwind Farm, Inc.) throughout the day to let you know where we are. We can re-set rails as long as time permits. <u>https://www.facebook.com/groups/123826537673131/</u>

Tentative Schedule:

- 9:00 Trot Poles & Cross Rails
- 10:00 18" -2'3"
- 12:00 2' 6"
- 2:00 2'9"
- 3:00 3'
- ?? 3'+ if anyone is interested

There will be 4+ levels of Jumpapalooza XC courses set:

- Intro logs and Xs
- Starter a little bigger
- Beginner Novice 2'6" or less
- Novice 3'
- T/N a few Training level options on the Novice course

Here's how it works:

You can choose to jump just stadium, just XC, or the Jumpalooza combination. EACH TIME you enter the ring is considered a "round." Each "Round" is \$10

You may jump any flagged XC course with your stadium (ex you may choose to jump 3' stadium but the starter XC with it) but please stick to one level the whole course so we can keep track.

You may take your time XC as long as there aren't people waiting, but if there is a line we will ask that you finish after 5 refusals (or that reasonable time frame). You may get a lead if there is time. There will be help around if you need a cluck or a rail put down...we want to make it as user friendly as possible! Coaching permitted/encouraged as long as the rounds keep moving along.

There will be warm up/practice jumps. Please be careful, and jump the jumps red flags on the right. Please walk your XC course before riding out.

Parking is limited so please follow directions. Water is available.

Please bring a coggins and someone to sign the waiver if you are under 18 years of age.
